

PLAY—TENNIS—SAFELY

Best Practices / COVID-19 Policies

- ◆ Please stay in your car or wait outside the building until your scheduled play time to avoid gathering in the lobby area or vestibule.
- ◆ Face masks are required at all times in the building, and may only be removed once on the court.
- ◆ Social distancing of 6 feet apart will be in effect in all areas of the club—including on the tennis court.
- ◆ Please bring your own hand sanitizer and court towel.
- ◆ The upstairs lounge and downstairs windows will not be available to use to view court activity.
- ◆ Until further notice, using showers and lockers will not be permitted.
- ◆ Please pre-pay your court fees over the phone when making your reservation in order to preserve our "Contactless payment method".
