3. Contract Captains will be responsible for supplying the Club with a full list of all the players paying in the group. ***(Players need to create a “membership” on Court Reserve so paying parties can pay their portion – Contract Captains may choose to make total payment for the group as well.)***
4. Contract Captain will be responsible for ensuring the court payments due by individuals in the group.
5. Court assignments will be at the discretion of management. I understand that my court assignment may change. CNRC cannot guarantee that each week the court assignment will remain the same though it is our goal.
6. Court deposits are non-refundable. A **minimum** deposit of \$500 per court hour is due by MARCH 15, 2026 to reserve the court(s). Any unpaid balance from previous season must be paid off before next season’s deposit will be accepted.
7. Full Contract payment must be paid by **September 15, 2026**. **If any balance remains after this date, a late fee of \$50.00 per court hour will apply**. If balance remains on **October 1, 2026**, playing privileges of the court may be suspended until balance is paid in full. All Contract time is non-refundable.
8. There are no refunds and/or credits for sessions missed. In the event of bad weather and the club is closed, we will issue court-time credit (“Make-up”) for your scheduled time. You may use this credit up until the last day of your contract time. A “Make-up” will be issued if advanced notice is given and the court time is sold.
